The Hound of the Baskervilles or a misadvent agency which is in touch with me. I am conscious always of power and design. When our friends left I at once followed them in the hopes of reaching their hidden abode. So why was he that he had not meant himself upon me, but he had meant himself of a man who he could later behind or dash past them and so escape detection. His method had the additional advantage that if they were to take a call he was all ready to follow them. It has, however, one obvious disadvantage. "It puts him in the power of the cabman."

STUDY QUESTIONS

- The letters of the note warning to Sir Henry were cut from which newspaper?
Times
The cabman reported to Holmes that his passenger's name was:
Sherlock Holmes
Why was Sir Charles Baskerville was murdered?
because Dr Mortimer believe that he died by natural causes.
Why Sir Charles walked to the gate in Yew Alley, but then ran to the end of the Alley?
because there was a change in his footprints from the whole foot to the toe.
Why He had stood at the gate in Yew Alley for some minutes?
because there was his cigar ash on the ground by the gate.
Why He was expecting to meet someone at the moor gate.
because we don't know if this is true or not yet.
Why There was a large dog in the Alley that night?
because there were his footprints around the death body of Sir Charles.

Second Report of Dr. Watson
I have heard his steps in the passage, coming and going, just about the hour you name."
"Perhaps, then, he pays a visit every night to that particular window," I suggested.
"Perhaps he does. If so, we should be able to shadow him, and see what it is that he is after. I wonder what your friend Holmes would do if he were here?"
"I believe that he would do exactly what you now suggest," said I. "He would follow Barrymore and see what he did."
"Then we shall do it together."
"But surely he would hear us."
"The man is rather deaf, and in any case we must take our chance of that. We'll sit up in my room to-night, and wait until he passes." Sir Henry rubbed his hands with pleasure, and it was evident that he hailed the adventure as a relief to his somewhat quiet life upon the moor.
